Agenda for Pilot Training in KBBI

Place: Cantonal and University Library in Bihać

Date: 20 December 2017

Time: 10:00 am

Duration: 90 minutes

Target audience: Librarians from primary and secondary schools from Bihać area
Librarians from faculty libraries of the University of Bihać
Students of the University of Bihać

Presenter: Mirela Midžić, MLIS, head of the project for KBBI

Language of the training: Bosnian (written translation will be provided for the observation team)

Observation team: Pdraig Kirby MSc (LIS) BA (Hons) HdipLIS

Training module: Module 8 – Library Collection Development Policies

Participants' libraries do not have CDPs and will greatly benefit from the presentation. The expected outcome would be for them to develop their own CDPs.

The presentation will include the following:

- General information about CDP and its benefits for each library,
- Selection process,
- De-selection process,
- CPD process and its implementation in KBBI,
- Discussion on CPD in individual libraries,
- Guidelines and conclusion.
